REFERENCE: YEAR-END REPORT (11/25/2014 - 12/31/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule E of your report indicates that your committee may have failed to timely file one or more of the required 24 hour report(s) regarding "last minute" independent expenditures (see attached). A political committee must file a 24 hour report with the Federal Election Commission as specified in 11 CFR §104.4(c), within 24 hours of any independent expenditures of \$1,000 or more with respect to a given election, made between two and twenty days before an election. The report must be received by the Commission by 11:59 p.m. on the day following the date on which independent expenditures that aggregate \$1,000 or more are publicly distributed or disseminated. These expenditures must then be fully itemized on Schedule E, or as memo entries on Schedule E and reflected on Schedule D if distributed or disseminated prior to payment, of the next report required to be filed by the committee.

The Commission notes the memo text attached to the 24 hour reports that states, "This report contains two IEs. One was disseminated on 11/24 but not reported due to a misunderstanding about reporting requirements during a runoff. As soon as the oversight was discovered, the report was filed. Another IE was disseminated on 10/21 but not reported due to a misunderstanding about whether dissemination or payment triggered reporting requirements. As soon as the oversight was discovered, the report was filed." Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. (11 CFR §104.3(b))
